

# Your Industrial-Strength CREATIVE SOLUTIONS TEAM

**COX**  
MEDIA

Our passion is creating powerful messages tailored for your audience. Capturing compelling visuals and shooting up to 4k we'll help tell your brand's story and come with the full package. We're FAA Drone Certified and fully insured.

Whether it's :15 seconds or long-form you're after, our award winning team delivers with over 100 years of experience from local to national-level production. We'll work with our internal marketing team to ensure a cohesive vision is executed across all advertising platforms.

With Cox Media, your video, display, and animated online ads can be efficiently placed in front of your target audience across digital platforms like Google, YouTube, and Social Media. Our responsive team is ready to shape and execute a custom message for your business.
